- Model #3050
- Shown with #550 Dial-Flo Single Lever Control 1729 Vacuum Breaker & Shampoo Spray
- Available in 5 bold colors
- 18.5"W x 23"D x 9"H

Product Features

- ✓ Standard back wheelchairs of all sizes will work- bowl is specifically designed to fit smaller, narrower wheelchairs closer to the sink
- ✓ Wide neck opening to fit a large range of neck sizes, including bariatric patients
- ✓ Solid surface made with seamless, highgloss construction, durable and scratch resistant finish. Solid surface is the preferred material for infection control in health care environments.

Why choose the Comfort Fit™ bowl?

The next generation of comfort in the Senior salon is here! The Comfort Fit™ bowl was specifically designed to fit the spectrum of clients in a Senior Living setting. The bowl shape is optimized to allow close up fit to short statured residents in small size wheelchairs, and also has a V-shaped neck opening that can accommodate larger neck sizes. The neck rest section has a continuous diameter lip so no matter what angle the resident's head is positioned, there is no edge to create a pressure point.
